HIGH POINT, NC --

The **Primo Sport Hero Shot** was a Fund Raising Game that was done in conjunction with the 2009 Furniture City Classic tournament held in High Point, NC over the weekend of August 29-30th.

Kids of all ages took hundreds of shots at a hulu hoop size target in the top right-hand corner of a standard sized soccer goal. Prizes included Primo Sport soccer balls and \$10 lottery tickets.

The lottery tickets were for a Grand Prize worth over a \$1,000 of Primo Sport equipment and Prostar jersey.

**Ben Woodruff**, of 99 FCCA Huntersville Claymores, had one of the sweetest looking swings of any Hero Sport contestant and he made back to back Hero Shots. By making those two shots he not only won a Primo Sport Eclipse soccer ball, but two lottery tickets as well.

After the last tournament game was finished Sunday afternoon, **Michelle Mostoller**, the 2009 tournament director, randomly selected Ben's ticket from all the lottery entries, making Ben the ultimate hero!

With his winning shot, Ben won Primo Sport balls and keeper gloves, along with a complete new set of jerseys, shorts and socks from Prostar for his entire team.

Below is the complete list of what the Claymores will receive:

- 8 Dynamo Plus jerseys
- 8 pairs of Kiev shorts
- 8 pairs of Mercury socks
- 8 Eclipse soccer balls (size 4)
- 1 pair WrappaMax Tech gloves.
- 1 Genoa GK jersey
- 1 Palmas GK shorts w/ padding

### **Way to go Ben!**
